**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I own a small architectural firm and find myself more and more dependent on my local broadband provider. They provide excellent service over the local telephone copper wires. It is a critical service and that provides excellent local jobs to our local community. I do not want them to be regulated out of business and for my service to have massive price hikes. DO NOT limit competition.
